Dear Parents and Carers

I would like to take this opportunity to introduce you to our new Family Liaison Officer, Miss Tasha Huff. Tasha has joined the St Joseph's Infant and Junior School team this term. Tasha is very much looking forward to working with our families and pupils and will be welcoming children into school on the school gate in the mornings. Please feel free to say hello. Tasha has written a little bit about herself.

Hello St Joseph's!

My name is **Tasha** and I have recently started the new role of **Family Liaison Officer**. I will be based across the Infant and Junior School, working alongside the teaching staff to provide an extra layer of support for students and their families. I am also planning to hold drop in sessions, this will provide general and specific support in a relaxed environment.

I have many years' experience supporting children and adults in different circumstances. I have worked within the local authority, charities and schools. I am looking forward to using the skills and knowledge I have gained in these settings within your school.

I like being with animals, making art, listening to music, watching rugby and exploring the outdoors. (I will often be seen with a coffee in my hand.)

I look forward to meeting many of you at the school gate during the morning or afternoon transition. If you would like to contact me please either phone the Junior school office or contact me on Email: office@stjosephscejunior.school.

Thank you for welcoming me to the school, I look forward to being part of St Joseph's.
