If your child has an appointment and needs to be collected early, please let the office know in advance and provide proof of the appointment. This helps us ensure safeguarding procedures are followed and your child is ready on time.

We would like to remind parents and carers that road restrictions remain in place in Orchard Gardens. These restrictions help to keep all pupils, families and staff safe during the busiest times of the day.

Please do not park, stop or wait in Orchard Gardens during the restricted periods. Local residents and the school are able to report vehicles that contravene these restrictions. Ignoring official road signage is considered dangerous driving.

Thank you for your continued support and cooperation in helping us keep our school community safe.
