

English

We will be using apostrophes for possession and adverbial phrases to engage our readers. We will continue to use our noun phrases, adjectives and verbs to make our writing interesting.

We are reading

Reading

We use our Little Wandle books to read 3 times a week to an adult. We have grown ups come in to read with us throughout the week too!

Maths

We will be looking at money, multiplication and division, length and height and mass, capacity and temperature.

PSHCE

We will be looking at citizenship and why rules are important. We will look at our school environment and how we can look after it before looking at the community.

History

We will be looking at Chichester in our History lessons! We will be looking at Chichester Cathedral, the Market Cross and more, thinking about how it has changed over time. We will focus on Tim Peake at the end of the module and why he is important.

Check out Chichester!

Computing

We will be looking at digital art and how we can create a digital art portfolio, with a focus on patterns and templates.

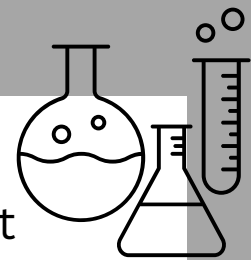

Music

We will be looking at contrasting dynamics and different soundscapes. We will listen to different music pieces and observe how they have used pitch patterns.

Science

This term we are going to be thinking about how plants stay healthy and what they need to grow. We will learn about the life cycle of a plant and observe a plants growth over time.

Art

We are going to be learning how to mix colours and create texture and pattern using colours. Our final piece will include creating a collage using the techniques we have been learning this term.

RE

We are going to be looking at different Gods and why they are important to some people. We will be looking at Jesus, Guru Nanak, Krishna and Muhammad.
