

English

We have been reading 'Cave Baby' and The Naughty Bus'.

In our writing, we have been using adjectives to describe the different characters in the stories. We have written sentences using these adjectives ensuring that we have a capital letter and a full stop.

We are reading

Reading

We are using our Little Wandle books to read 3 times per week to an adult at school - sometimes grown ups come in and hear us read and we love sharing these books with them too

Maths

In Maths, we are developing our counting skills by counting forwards and backwards within 100. We are learning that one ten is equivalent to ten ones and are representing multiples of ten using both number names and numerals. We use practical resources, games and investigations to build confidence and deepen our understanding of place value.

PSHCE

This half term, Children will be learning to recognise and name a range of emotions. They will explore how feelings can be shown through facial expressions and body language, helping them to understand their own emotions and recognise how others may be feeling.

History

We are learning about how transport has changed over the years and predict what transport will look like in the future!

Ready Steady Go Year 1

Science

We are learning to name and identify everyday materials. We are learning to describe the properties of materials such as hard, soft, bendy, stretchy. We will identify whether an object will float or sink.

Art/DT

In this unit, pupils explore the formal elements of art through drawing, focusing on line, shape, tone, texture and space. They develop control of tools, use simple shapes to build drawings, and experiment with pressure to create shading and pattern. Pupils also learn that artists are inspired by the world around them and make choices about how and what they create.

Computing

This unit introduces children to the basic principles of online safety and responsible technology use. Pupils learn what the internet is, how online content can affect feelings and emotions, the importance of being kind and respectful online, how to stay safe when sharing information, and how to maintain a healthy balance between screen time and offline activities.

Music

Children will explore a practical introduction to singing, pitch, pulse, rhythm, listening and ensemble music-making.

RE

This term we are learning about how the world began. We will be learning about creation and listening to different creation stories.
