

English

We are reading 'The Journey Home' and 'Dear Earth'. The messages are powerful and we are trying to find ways to save our planet and look after the animals!

In our writing, we have been using adjectives, verbs, adverbs, conjunctions and noun phrases.

We are reading

Reading

We are using our Little Wandle books to read 3 times per week to an adult at school - sometimes grown ups come in and hear us read and we love sharing these books with them too!

Maths

We are using NCETM and mastery to learn about the composition of numbers, using numbers between 0-100. We are using practical resources, including money, to help us solve problems linked to multiples of 10. We are learning more about place value, number lines, greater than, less than, addition and subtraction.

PSHE

This term, we are exploring how we can look after our bodies and keep ourselves healthy by making good food and lifestyle choices.

Geography

We are learning about our world! The continents, oceans, famous landmarks, our local area and habitats!

Me and My World Year 2

Computing

This term's topic is all about online safety! The children already know so much about technology so we will be exploring how we can use tech safely.

Music

This term introduces Blues history, rhythmic reading skills, and deepens pitch recognition orally and on the stave using our new online learning platform 'Kidstrument'.

Science

We are learning all about growth. We are finding about what animals including humans need to survive, the importance of a healthy diet and how to be hygienic.

Art

We are learning about tone and texture and will be exploring shading, sketching and creating observational drawings.

RE

This term we are finding out why people give thanks and how they do this.

PE

We are learning skills in two areas this half term: Gymnastics and Karate. Don't forget, hair tied up and earrings out or with tape over them please. Thank you!
